Re: Fire Protection and Life Safety Services for Lancaster Power Plant Facilities

The Los Angeles County Fire Department, which is contracted by the City of Lancaster to provide Fire protection and life safety services for our citizens. We have Fire Station 33, within two miles and Fire Station 117 within four miles of the proposed project within the City of Lancaster. The Los Angeles County Fire Department being one of the largest Fire Departments in the nation can draw upon its many resources to provide maximum fire protection and life safety services to all of its contract cities within Los Angeles County.

Sincerely.

Captain Mark Bennett
